

# I AM A TUTOR BOSS

Each day at work, I help students crush their past failures and **rise up in victory**.

I don't shy away from talking about the magical work I do. **I'll share** with anyone who will listen! Because keeping my talent to myself serves no one but me. When I don't share, I'm doing the world a disservice because I've **got what it takes to help students**. I'm endlessly curious about how my students' brains are wired and **I won't stop until they've got it**.

- I can do this business stuff because -
